3:45 – 4:00 - final logistics

- discussion of the Legislative Program and presentation to General Council on Aug. 26th
- discussion of the next meeting date/time
- discussion of the next meeting agenda

Highlights:

This was our first meeting of the Civics Committee for the year. There were 6 people in attendance. We introduced ourselves and brainstormed ideas about campaigns that we want run, support, or co-facilitate for the year. We plan to narrow down this list at the next meeting and discuss our legislative agenda. We also discussed how we want to organize the Civic Committee, how often we'd like to meet, and how we want to recruit others to the committee. This will also be a discussion we revisit at the next meeting. The next meeting will take place sometime during the week of Sept. 9th and will be scheduled with the committee by doodle poll.
