

**Transit Sub-committee meeting
April 26th, 2018**

Present: Leo, Vijin, Rebecca, Emma, Tash
Minute taker: Leo

Survey: Has to include (Opt in, Opt out), and other options for Passes (like subsidizing).

- Is the TTC board plan of action still applying?
- Survey for grad students
- UofT Administration talk

SMA: Strategic Mandate agreement: includes “improving student experience”.

Survey: Demographics. Include SMA.

Idea: Subsidizing TTC Passes.

Talking to other universities

Top 10 grad schools in Canada. Their “Upass” situation.
Top grad schools (international).
How is the implementation?

Action plans:

Leo: Talk to Anne (vision of the future, how would be the implementation?) and TTCBoard (is the plan of action still going in?). Send pdf survey.

Emma: Digging some more info.

Tash: Send emails to other universities.

Vijin: Other universities information. Look at similar cities with similar transit systems.

Rebecca: Subsidizing options.

Review of the meeting

- Discussed about the history and context of the transit pass in UofT.
- A survey for grad students is going to be implemented in September.
- Besides the Upass option, other alternatives should be considered, such as subsidizing.

Next meeting: May 16th, 5-7pm.
